

Getting Dressed!

In the morning when I am getting ready for the day I need to get dressed!

Before I start to get dressed for the day, I need to take off my pajamas.

Once my pajamas are off, I will first put on my underwear.

Next, I will put on my pants, shorts or skirt.

Then I will put on my shirt.

Once all my clothes are on, I will put on my sandals or my socks and shoes.

If it is cold out, I may have to wear a sweater or a coat on top of my clothes!

Now I am dressed and ready for the day! I will get dressed every morning!
